Social skills and competences

- Team work, demonstrated within the Armed Forces as well as in Governmental and Non-Governmental Organisation as in Higher Education Institutions.
- Intercultural skills, what quite normal is for a Belgian! The Military/Civilian, Male/Female, Public/Private, National/International (NATO and European) dimensions have been my professional environment for more than 40 years.

Organisational skills and competences

- Management of complex projects.
- Progress and action-oriented, constructive attitude;
- Ability to work in tensed and complex environments (as the head of a team, as an isolated individual, as a direct advisor to top-management executives).

- Technical skills and competences
- Management at unit / factory / school level
 - Research supervision (incl. at the PhD level and for research programmes commissioned by the Ministry of Defence or by the Patrimony of the Royal Military School);
 - Lecturing at Licence-Master levels in micro- & macro-economy, economic policy, economic history, administrative drafting, oral expression of the thought, public finance, tax sciences, public economy, economy and public finances.
 - Presentation; oral communication (scientific and institutional).
 - Competence in Public Law;
 - Competence to cope with versatile methodologies in social sciences (quantitative, qualitative, interview-based methods)
 - Competence in accounting and procurement.

Computer skills and competences Competent with most Microsoft Office programmes (Word, PowerPoint, Excel).

Driving licence Driving licence C
